HOW WE HELP BRANDS GROW

Four things we do for every brand

Expanded reach
Your products in front of more customers across the Northeast.

Clean, accurate listings
Product information consistent with what your brand provides.

Consistent pricing
We follow your pricing policy, including MAP where one applies.

Steady reorders
A regular reorder rhythm, so demand is predictable.

WORKING WITH US

What we ask from you

- Price list and terms, including minimums
- Pricing policy, including any MAP policy
- Approved product content and images
